In re: *Forsaken: A Monsignor's Silent Fight to Save His Faith*

Dear Mr. & Mrs. 

CTL is an investigative news company currently in production of a documentary intended for national release. *Forsaken* deals with hard issues that have affected your church and community in the aftermath of Campobello's arrest and successful prosecution.

I have been given your name and been told that you are an important and knowledgeable source of information about the effect of the Campobello crimes on St Peter Church, its parishioners, its staff.

We request a brief, on-camera, interview with you so that you can tell us what you know, what you have seen, and how the Campobello publicity has affected you, your friends, St. Peter Church and your community. An average on-camera interview takes approximately 25-40 minutes. An assistant producer, prior to an on-camera interview, will discuss with you what you would like to contribute to this documentary. CTL will then schedule a convenient time for your appearance in Geneva, Illinois.

Should you wish to participate please contact me at: (800) 940-6602 ext. 701 upon receipt of this letter. I look forward to speaking with you. Thank you in advance for your time and consideration.
